

A Caring Place

Parent Bulletin

August 2021

Dates to Remember:

July 23- Last Day for Non returning students

July 26- August 2- Summer Break School Closed

Tuesday August 3 – Students Return

August 20- Statehood Day School Closed

September 6- Labor Day School Closed

As we start the new school year, we will be seeing a lot of new faces. We are looking forward to meeting each of our new families. If you have any questions or concerns, please direct them to your child's teacher or to our Director, Miss Jessica.

Infants and Toddlers- please see Miss Steph

Toddler Too please- see Miss Renee

Montessori 3-6 Program- please see Miss Liz or Miss Kalei

Tuition & Fees

As a reminder, tuition is due on the 1st of each month. Payments received after the 5th will be assessed a late fee of \$40.00 per child. The late pick up fee is \$15.00 for every 15 minutes or fraction thereof. Please plan ahead for August's tuition. Tuition will be due during our scheduled summer break. You may mail payment in or drop off a postdated check by July 26th.

Remind App

The Remind App is a messaging system that we utilize to send out reminders and special announcements. We also utilize this to report any emergency school closures. To join please download the app and enter code 81010.

Disaster Plan

As you all know it is Hurricane season. The school will be closed if a Hurricane Warning is issued. Please listen to K-59 am or 92.3 fm for school closures. You can also check our web site for updates. In the event we must evacuate during school hours, we will go to Kainalu Elementary School. It is the closest Hurricane Shelter. A staff person will always stay with the children until a parent can arrive. Please have an emergency plan in place for your family and all of your contact information updated.

Infant Toddler Program

Why Toddlers Test

Toddlers are searching for their own identity and beginning to realize that they are different from their parents. Testing helps them to grow emotionally, physically, and socially. The main questions are: who am I? and who is in charge? Consistent limits need to be reinforced over and over again at this critical age. Decide which battles are the most important, and work around the rest of the issues. Here are a few suggestions:

- allow some testing but not too much. This means setting appropriate limits you can enforce.
- try saying “NO” less often
- give them words to define their feelings
- don’t expect too much. Toddlers need to be taught appropriate social skills and what is or is not acceptable
- be ready for anything. Transitions are usually the hardest and may bring on testing behaviors
- try to have a sense of humor!

Montessori 3-6 & Toddler Too

It’s hard to believe summer is over and the new school year is going to begin. We are sad to say goodbye to many of our friends that will be entering Kindergarten, or relocating, and we are excited to meet some new friends as well.

During the month of August, we will be welcoming our new students and learning ground rules. We will be talking about classroom rules such as choosing floor mats and table mats for our work space and safety rules such as walking in the classroom. Just a reminder, the circle bell rings around 8:30am. Please try to have your child here before the bell rings to make separation a smooth transition.

Bulletins & Lunch Menus can be found on our parent’s page of our website at acaringplacekailua.com
