Toddler Too

January went by very quickly, and the children have settled back into the classroom nicely. Last month the children had a wonderful time learning about different bugs, especially the ones found at school. Thank you to all the children who shared their wonderful story books about bugs.

For the month of February, we will be learning about "Dinosaurs". This will include learning about which dinosaurs are herbivores and which are carnivores. Like always, books and items relating to our curriculum are welcome throughout the month and greatly appreciated.

Lastly, we will be having a Valentine's Day celebration on Tuesday, February 14. Special snacks are welcome; a sign-up sheet will be posted the week before. If your child would like to bring in Valentine cards, please only address whom it's from, we have 17 children in our class. The children will also be doing an array of Valentine's projects the week of Feb. 6-10.

Happy Valentine's Day!

Montessori 3-6

We will be continuing our continent study around the world and moving on to the Eastern hemisphere. Our focus for February will be the largest continent - ASIA. Because Asia is so vast and large, our main focus will be on Japan and China, but we will briefly discuss the other countries as well. This will include animals, culture, and people. We will also be discussing which of the twelve animals represents the year your child was born for the Chinese zodiac calendar. This will tie in nicely with Chinese New Year which was on January 28. 2017 is the Year of the Rooster.

Our Valentine's Day celebration will take place on Tuesday, February 14. Special snacks are welcome on this day, and a sign-up sheet will be posted the week before. If you would like to bring in Valentine cards, please only address whom it's from. This makes it much easier when passing them out at circle time. Miss Liz's circle has 23 children, and Miss Kalei's circle has 17 children (a total of 40 children).
