Registration will close March 6th and spaces will open to wait listed families. Please have all forms in by March 5th.

Kindergarten

Many of our Montessori 3-6 students will be kindergarten eligible for the 2021-2022 school year (must be 5 years old by July 31st). Please be sure to register with your designated school ASAP. Registration has already begun and the window for Geographical Exemptions ends March 1st.

Parking

When parking in front of the school or in the surrounding area, please use caution. Our street is very busy during our drop off and pick-up times. Please be aware of pedestrians when pulling in and out of parking areas. Please do not block the driveway to the staff parking. Lastly, the lane located across the street is a private road. Please do not park in it.

Birthday and Special Snacks

We have had many birthdays over the past few months and have Valentine's Day and Easter just around the corner. We would like to review the current policy on treats: All treats must be store bought in its original container. **No homemade treats.** For birthdays, please communicate directly with your child's teacher to coordinate. For holiday celebrations, please follow the sign-up guidelines as they are sent out on the Class Dojo. All treats need to be dropped off with your child on the morning of the celebration. Snack is served at 9am and all treats need to be in before then.

Infant & Toddler

Our Valentine's Day celebration will take place on Friday, February 12. Special snacks are welcome on this day, and a sign-up sheet will be sent out the week before. **All snacks must be store bought and sealed in its original container. No homemade treats.** If you would like to bring in Valentine cards, please only address whom it's from. This makes passing them out much easier.

Toddler Too

January went by very quickly, and the children have settled back into the classroom nicely. The children had a wonderful time learning about different bugs, especially the ones found at school. Thank you to all the children who shared their wonderful story books about bugs, and to Cameron for sharing his caterpillars.

For the month of February, we will be learning about "Dinosaurs". This will include learning about which dinosaurs are herbivores and which are carnivores.

We will be continuing our continent study around the world and moving on to the Eastern hemisphere. Our focus for February will be the largest continent - ASIA. Because Asia is so vast and large, our main focus will be on Japan and China, but we will briefly discuss the other countries as well. This will include animals, culture, and people. We will also be discussing which of the twelve animals represents the year your child was born for the Chinese zodiac calendar. 2021 is the Year of the Ox. Chinese New Year is on February 12.
