Summer Weather

Please apply sunscreen to your child/children before school. We will reapply after nap time. We will be encouraging the children to drink a lot of water throughout the day. Please dress your children in cool comfortable clothing.

New Fee Schedule

Just a reminder, our new tuition rates take effect this month. Those of you using bill pay through your banks, please make the adjustments as needed. Each of you received a copy of the new fee schedule and new financial agreements in February at Registration. A copy of the fee schedule is also available on our Programs page of our website.

Nut Free Policy

We will be implementing our nut free policy effective June 1st. We will be having a student joining us this month that has a severe allergy to **all nuts**. Please be aware of any treats brought in for special snacks, home lunches, milk substitutes, and breakfast. If you bring in any items containing nuts, they will not be served and will be sent home with you. We appreciate your cooperation.
